

BAB - company profile

BAB Ltd has been actively involved in European Labour Policy for more than 10 years. We are a creative and innovative firm with the motto:
bab - consulting with a difference!

Our 40 employees consult approximately 2,700 corporations per year.

We develop individual solutions in close cooperation with our clients. It is our mission to accompany you in a professional way through the changes in your organisation.

Our services include:

- Expert Service
- Professional Consulting
- Coaching
- Moderation
- Workshops
- Seminars

We see your employees as an important resource to be actively integrated into your corporations' development.

We give orientation through structure and standards, we promote creativity through openness. We value differences and contradictions as potential for new and sustainable high-level solutions.

We use the diversity present in corporations to create significant developments and sustainable growth. Self-responsibility is of high value for us.

We are a colourful, interdisciplinary team consisting of passionate and inquiring experts all of whom have many years of experience and enthusiasm for new solutions.

Our services are:

- Organization- and HR development
